Re: Request for Advisory Opinion

To Whom It May Concern:

I am writing to request an ethics advisory opinion regarding the use of campaign funds. I wish to use my campaign funds to purchase books regarding search and seizure for various law enforcement agencies within the State. In particular, I would like to purchase books for law enforcement agencies located within high poverty areas within my judicial district that would not otherwise have the resources to purchase these educational materials. As part of my role as a Justice of the Supreme Court, I frequently educate other officials regarding the law. Therefore, I am seeking confirmation that this would be a permissible expenditure of my campaign funds.

Sincerely,

Justice Marcus Clark
